CXO BRANDING

creating CXO stories

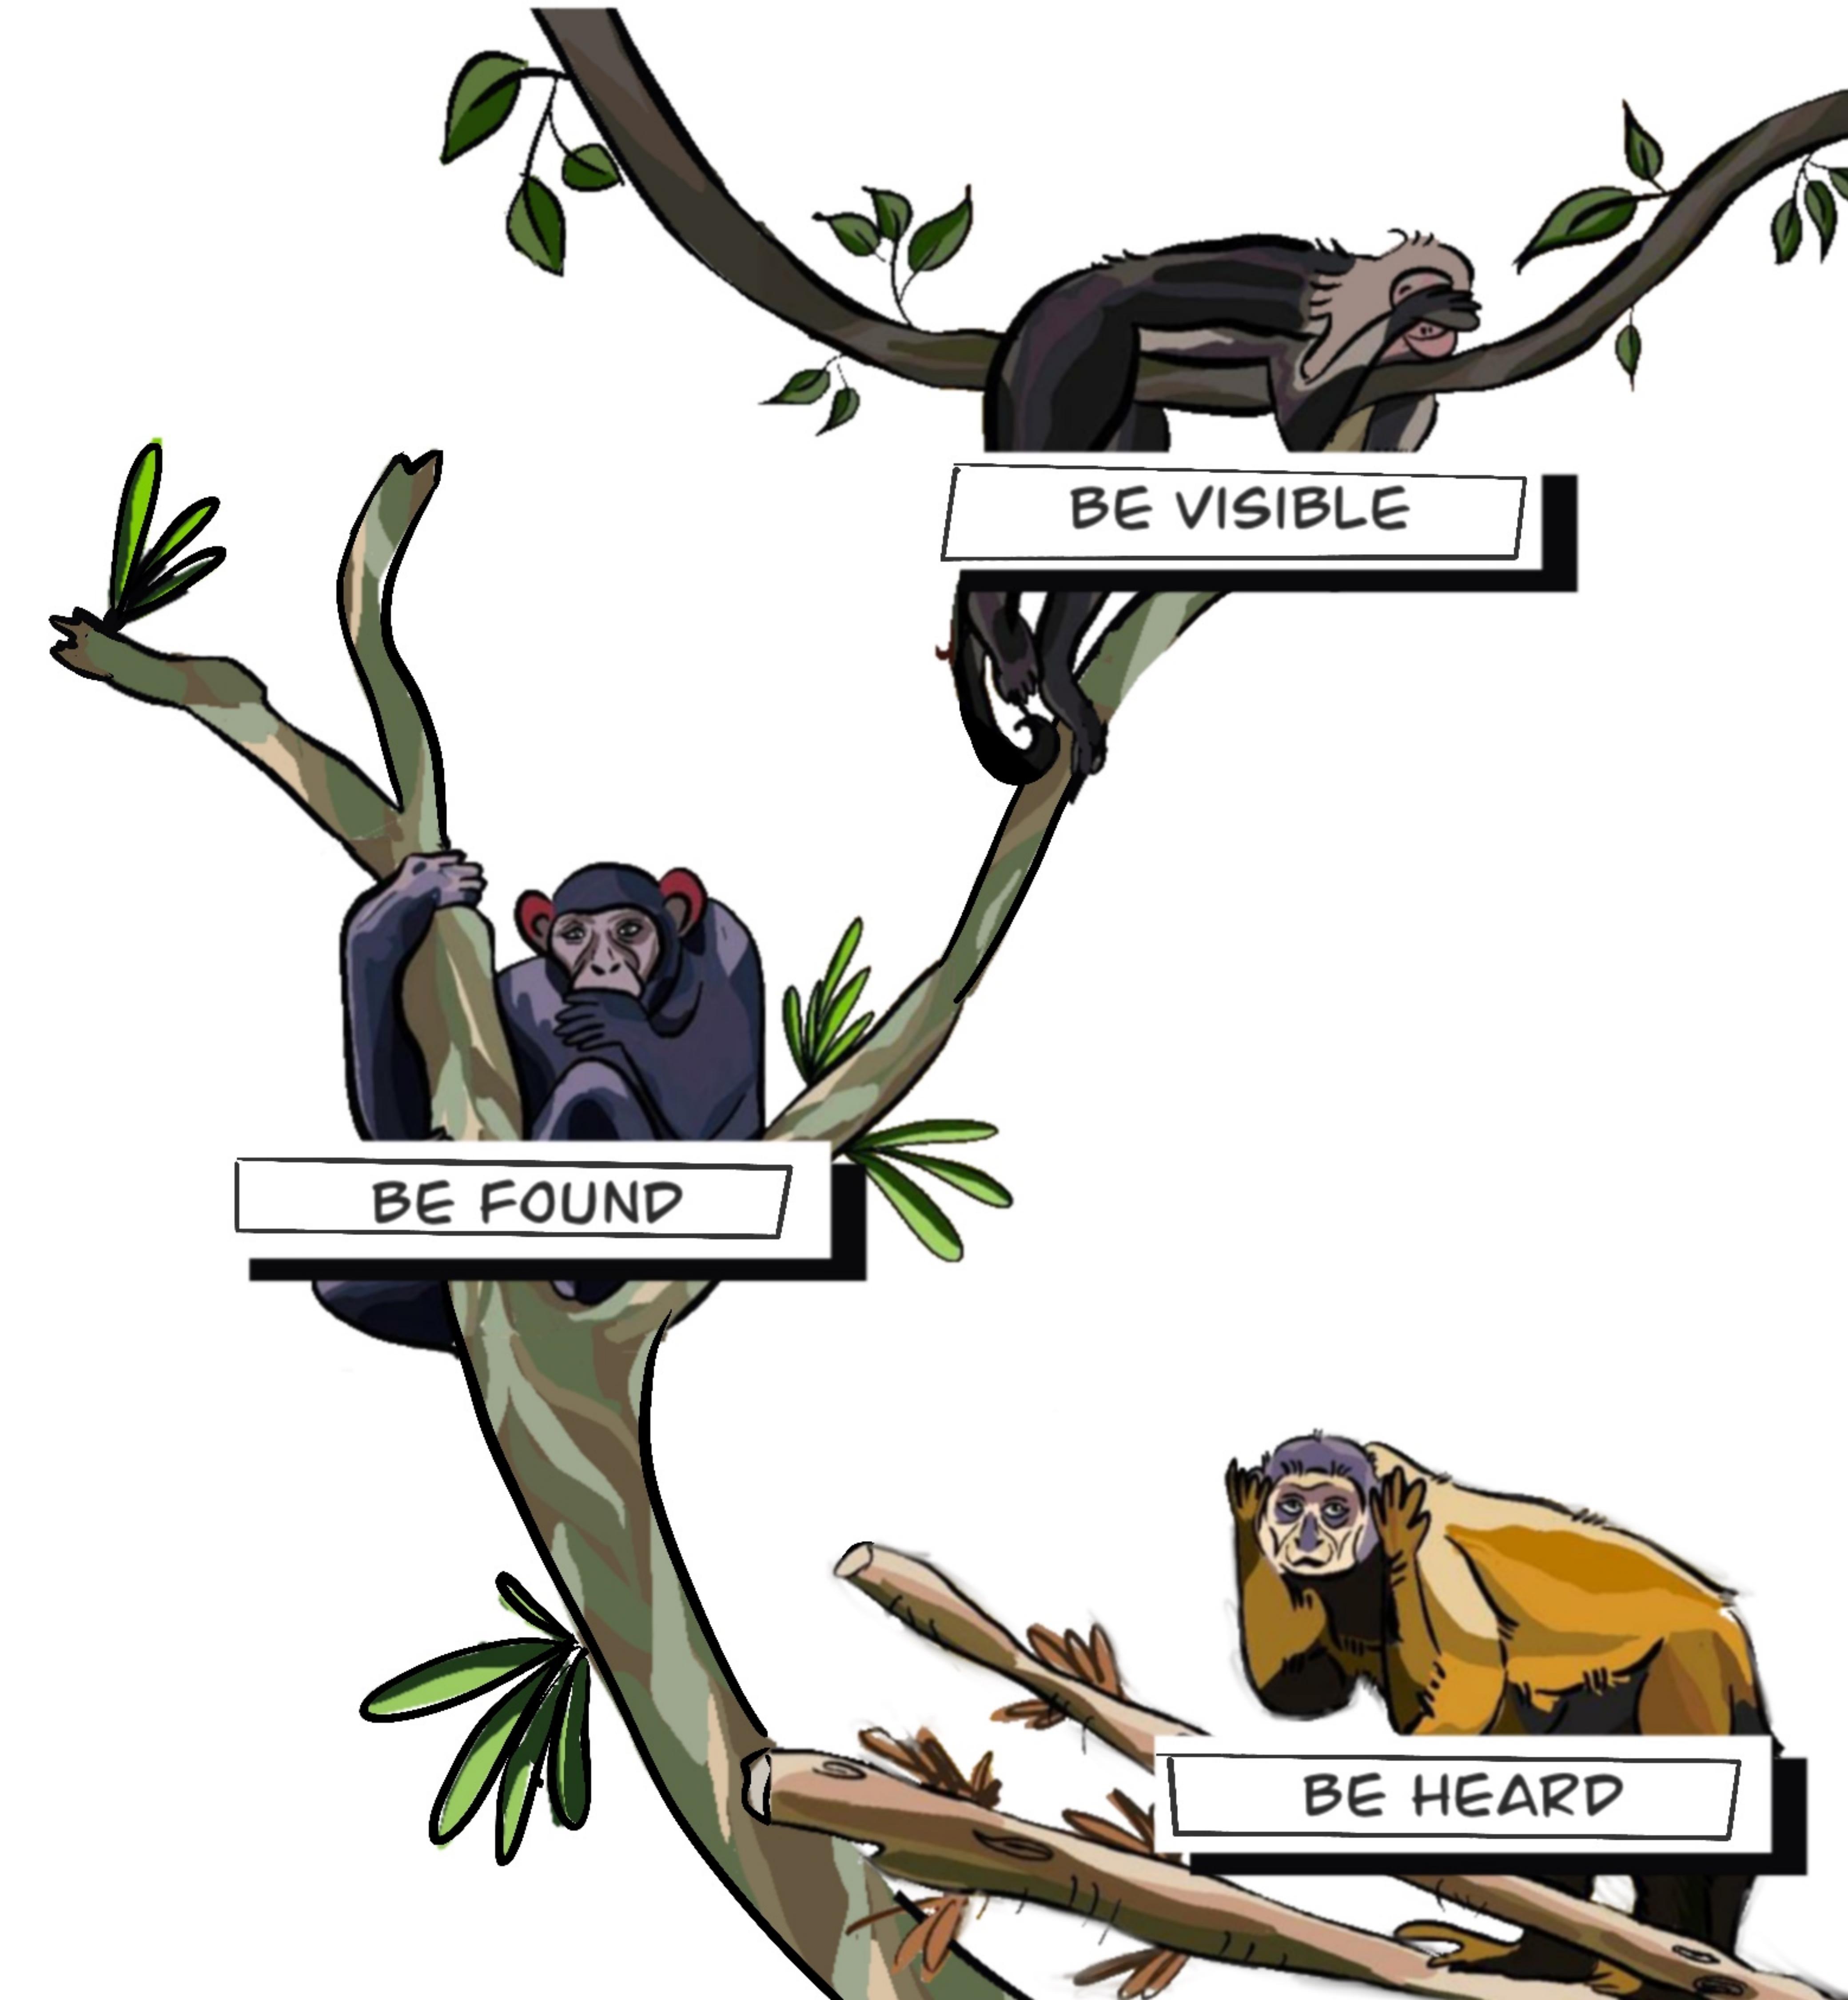

We always love to do the opposite
of what we are told.

Let's apply that same
logic here-

The classic tale of the three apes-

**“see no evil,
speak no evil,
hear no evil”,**

can be retold as-

As a member of the C-suite, don't you feel the need to have a go-to brand dedicated to your branding, profile management and documentation needs?

We at CXO Branding design exclusive and one of a kind Executive Resumes, networking cards for you to carry your flex around and make a lasting impression with our brand merchandise.

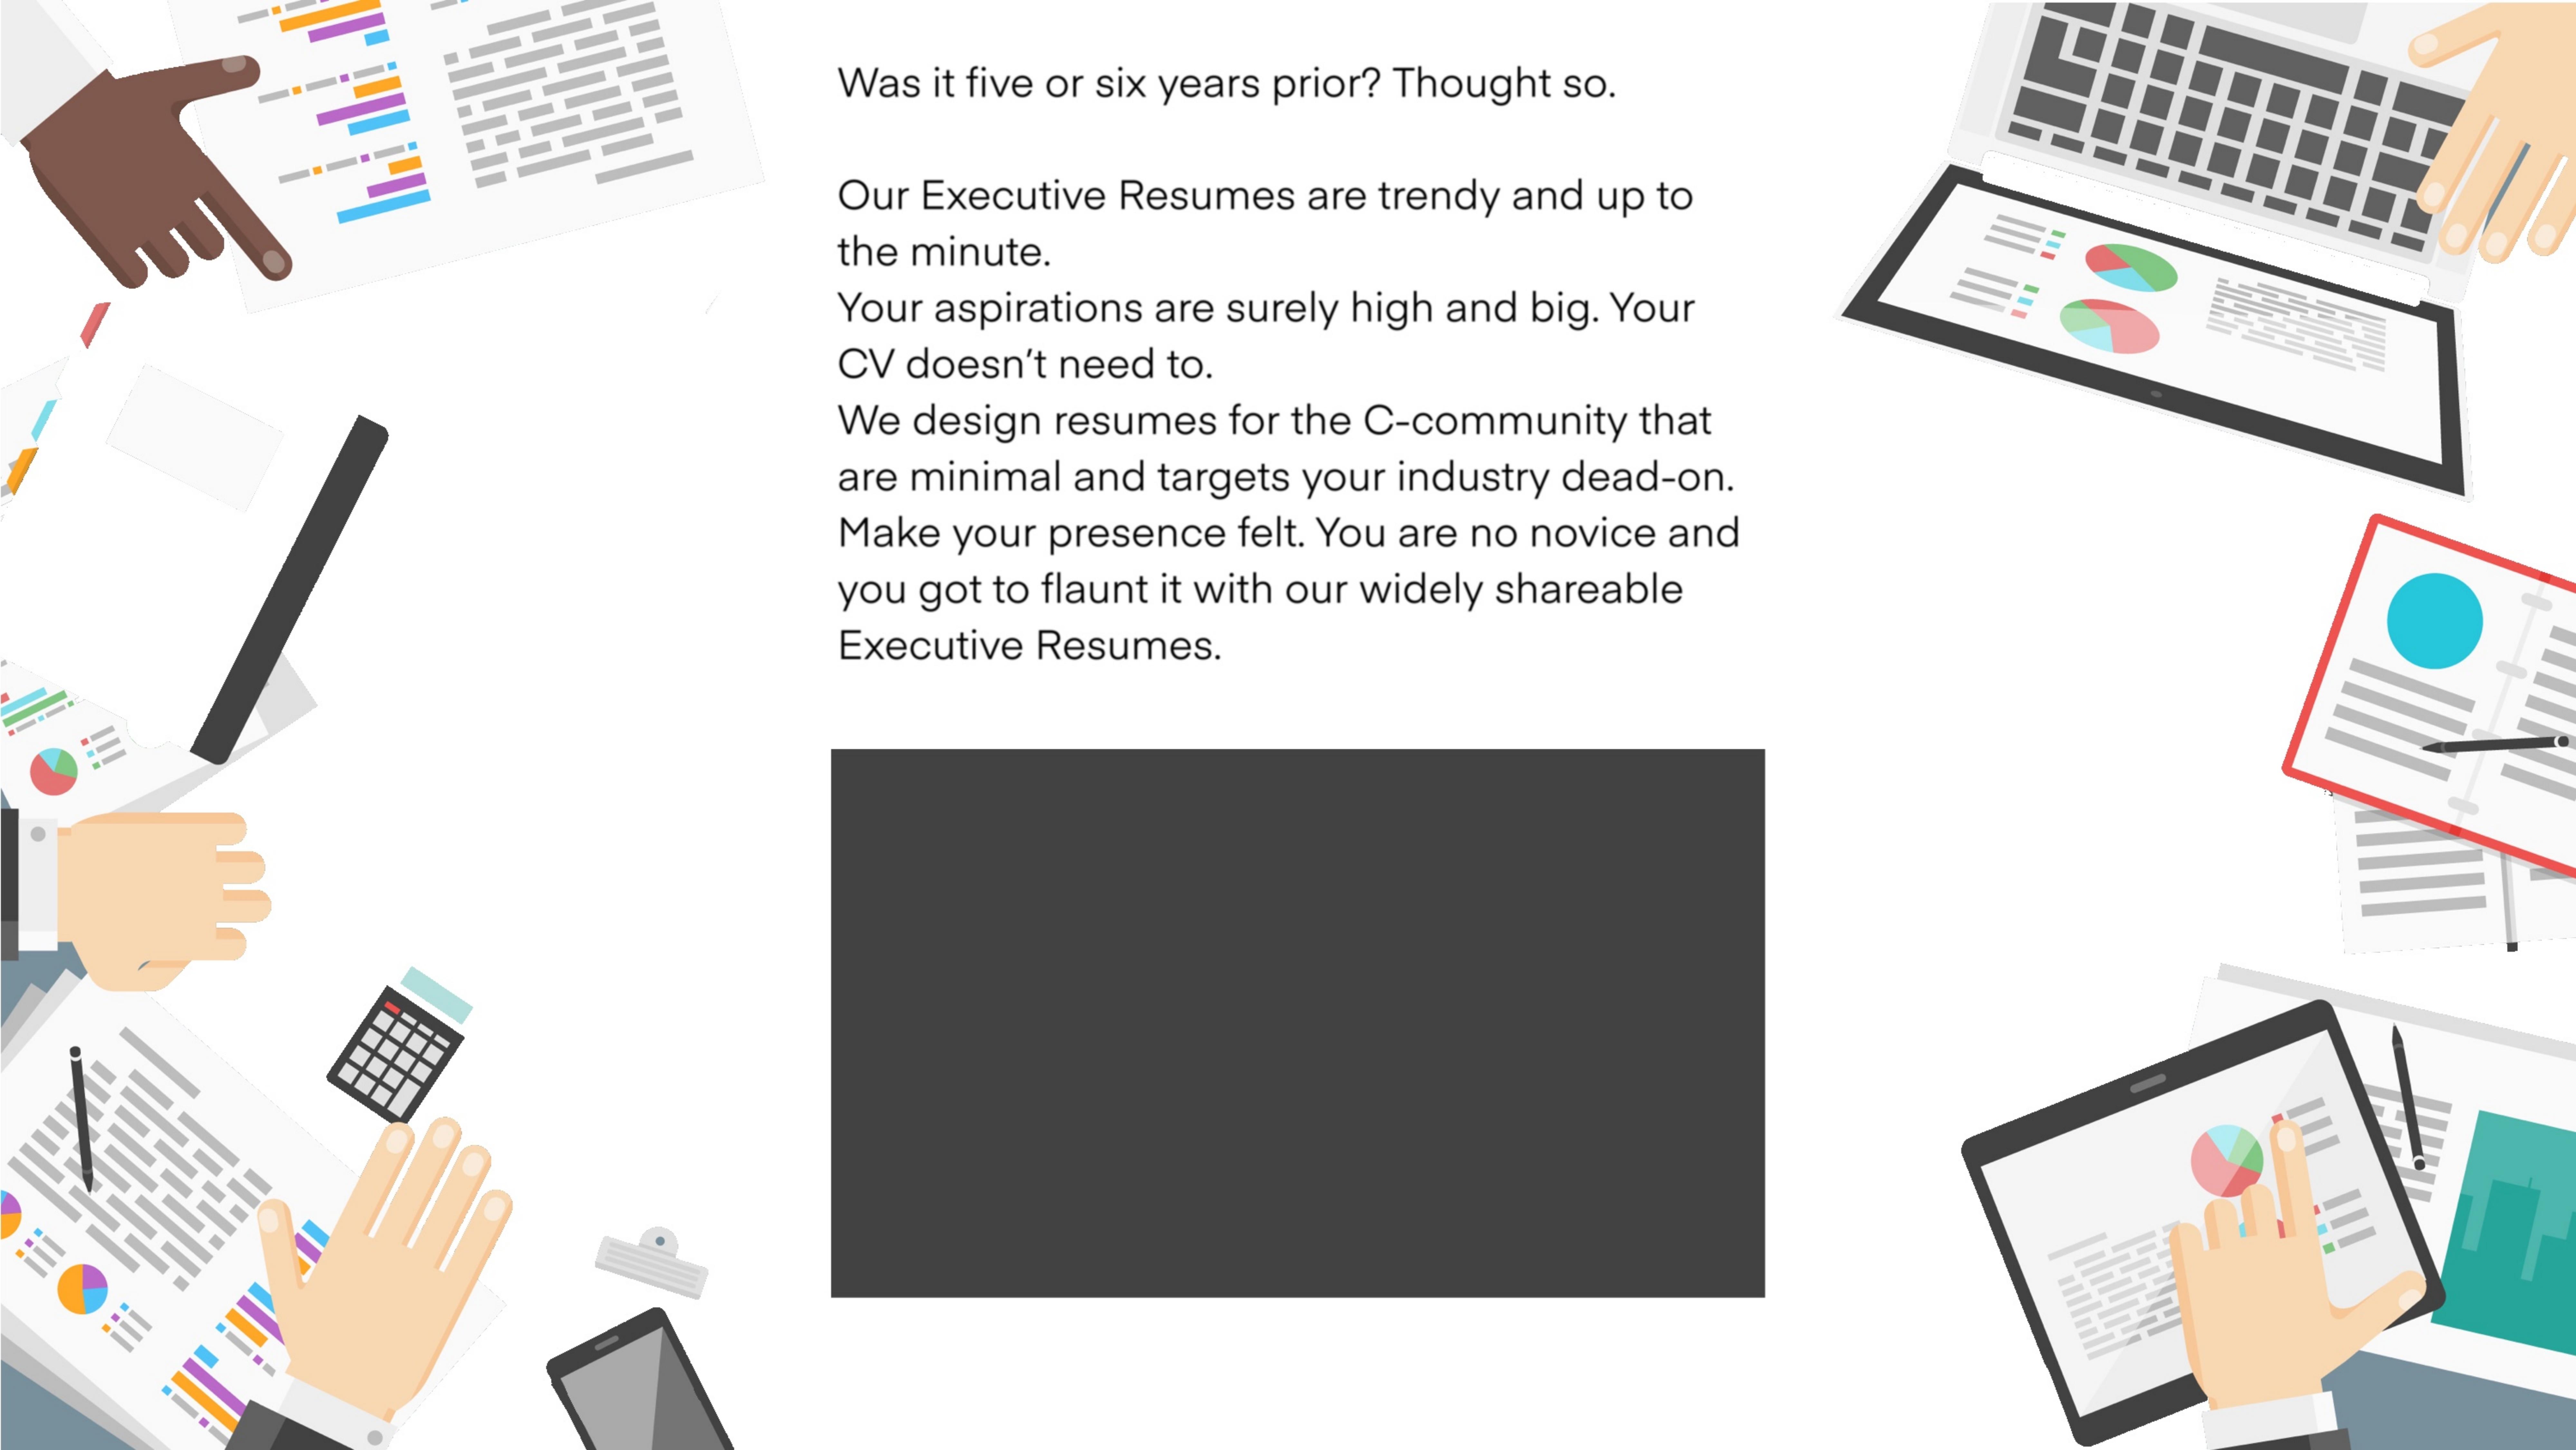

YOU are one of a kind. And so should be your resume!

STOP. REWIND.

When did you last update your CV?

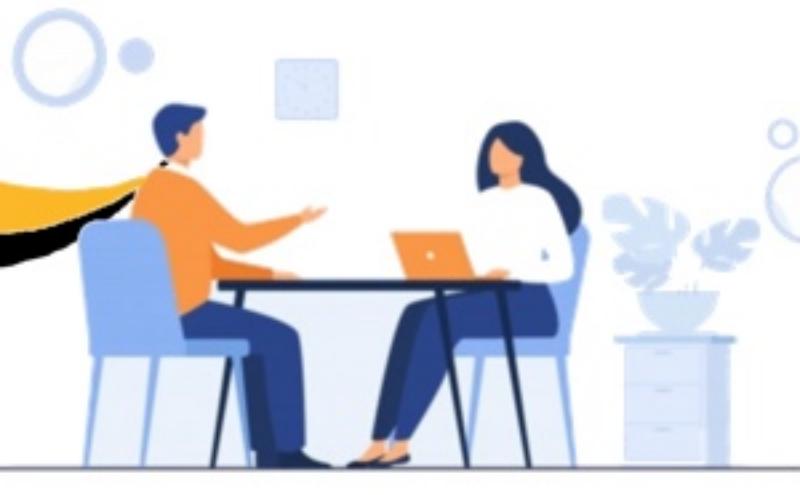

Was it five or six years prior? Thought so.

Our Executive Resumes are trendy and up to the minute.

Your aspirations are surely high and big. Your CV doesn't need to.

We design resumes for the C-community that are minimal and targets your industry dead-on. Make your presence felt. You are no novice and you got to flaunt it with our widely shareable Executive Resumes.

CONNECT ON THE GO!

We are going old school. Want to join?

We believe in the wonders a gesture of handing out a networking card and a smile can do.

Ditch the social age strategies for a while and hop on.

A sucker for creative minds?

There is no better way to give strangers a taste of your brand than our surely arresting networking cards.

Time is money, is it not? We know you live by this phrase more than anyone else. So, here are our networking cards that help you connect only in three steps.

PULL. PRESENT. CONNECT.

**Snag this opportunity and revolutionise
the way your employers perceive YOU
and your brand.**

WE WOULD LOVE TO PROMOTE YOU!

You are loved by your colleagues. Why not reward them? At CXO Branding we believe in making valuable connections and rewarding them with personalised merchandise.

The biggest investment is the investment made in yourself.

When you decide to promote your brand, you are ***opening doors to new opportunities.***

OUR SERVICES

SOCIAL MEDIA MARKETING

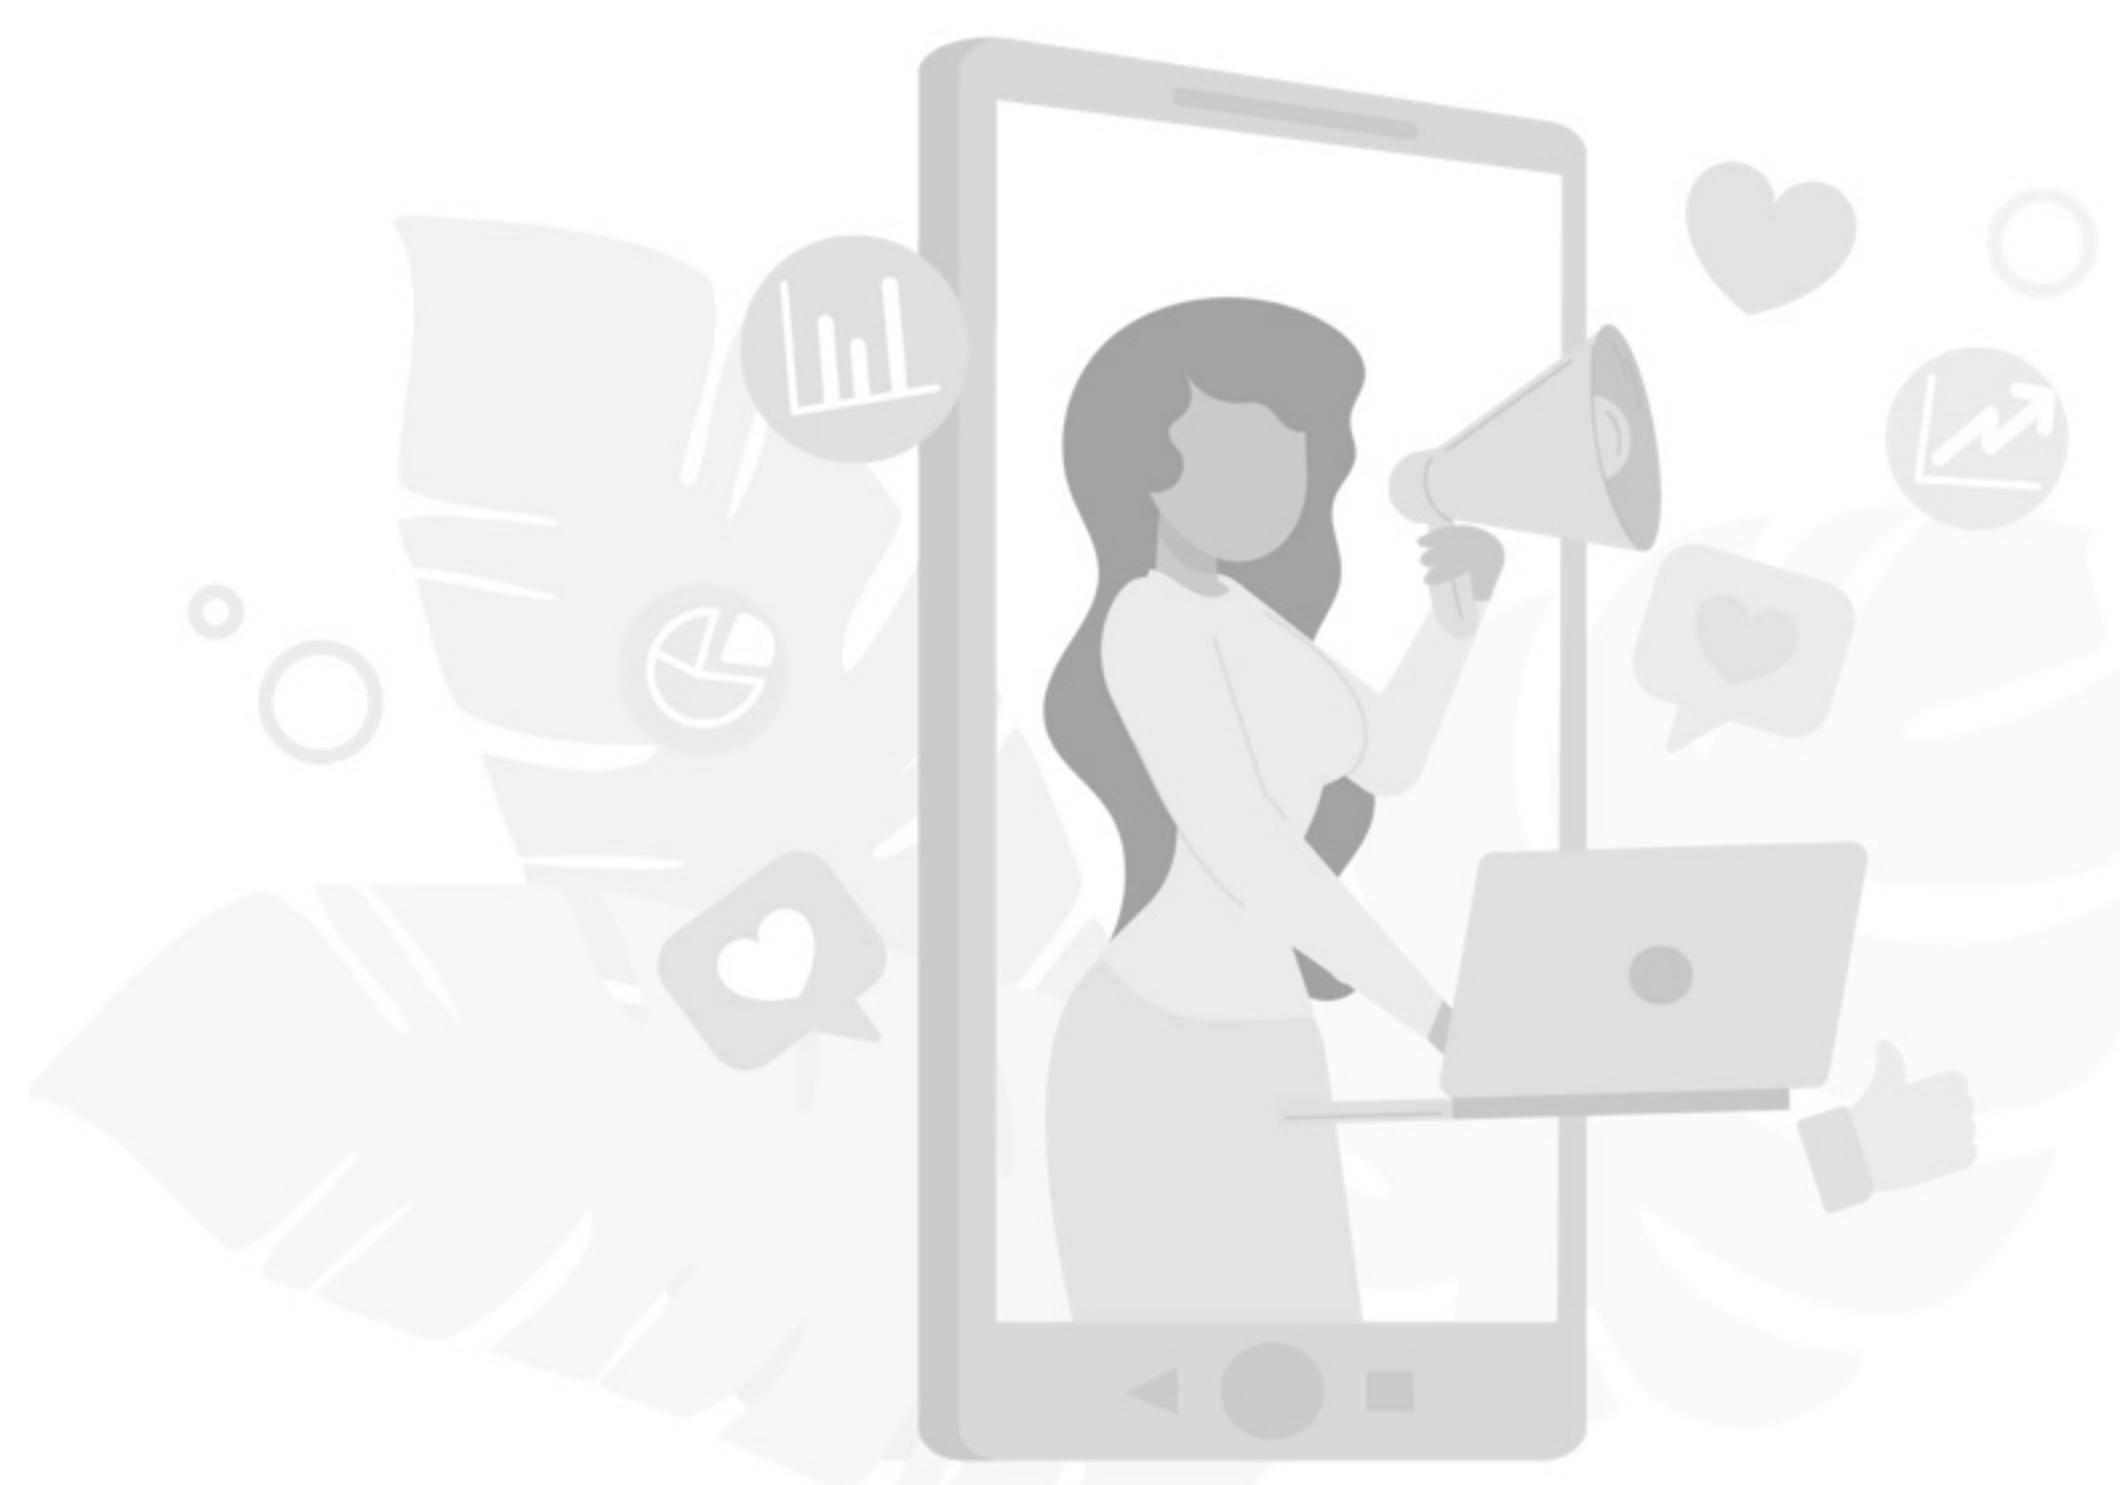

Social media is where the world becomes one and businesses become competitive than ever.

Don't let your personal brand go for your a toss.

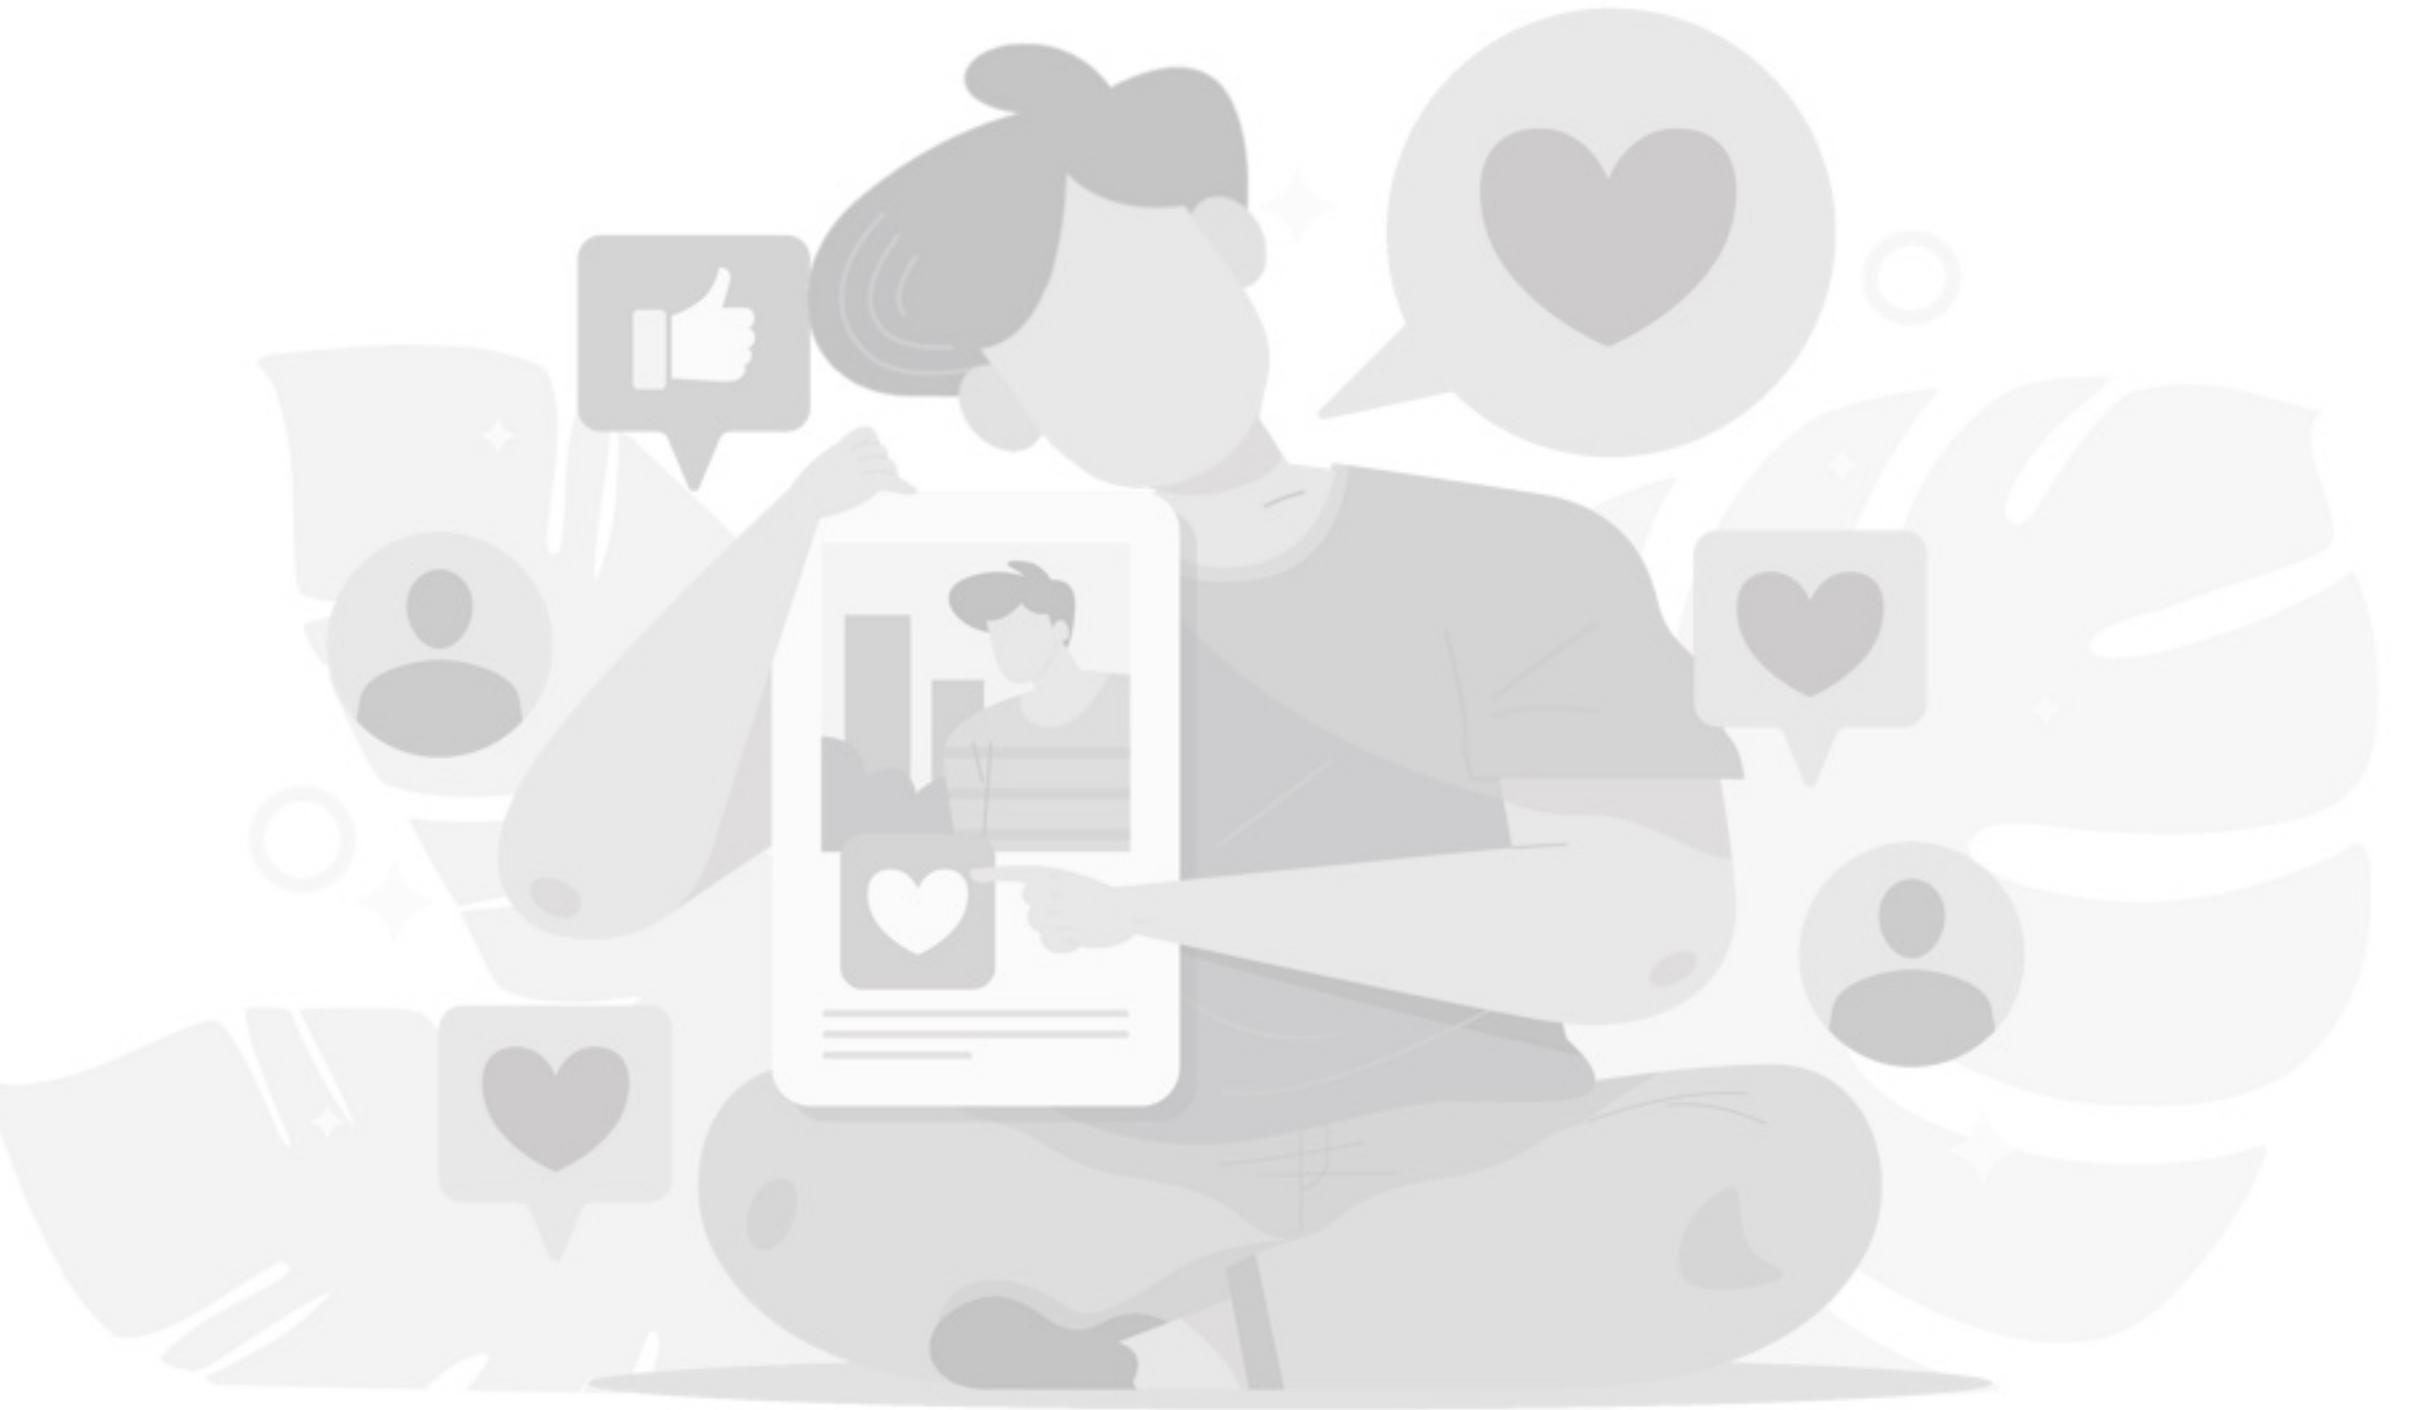

LINK Pro

Use this platform to form professional networks and connect with people who identify you with what you do. **It is the most preferred networking site for the C-suite and employers.**

GRAM Pro

Instagram is all about posting photos and being in constant touch with your followers. Reach out to new people and make your existing followers stick with you.

TWEET Pro

Twitter is where conversations begin and with posting quick, short messages. On this platform, you inevitably are on the radar of executive employers.

FB Pro

Get your brand statement and brand voice heard with the platform that has the highest number of users.

PIN Pro

Visuals are any day more appealing than mundane content and Pinterest allows you to do precisely that.

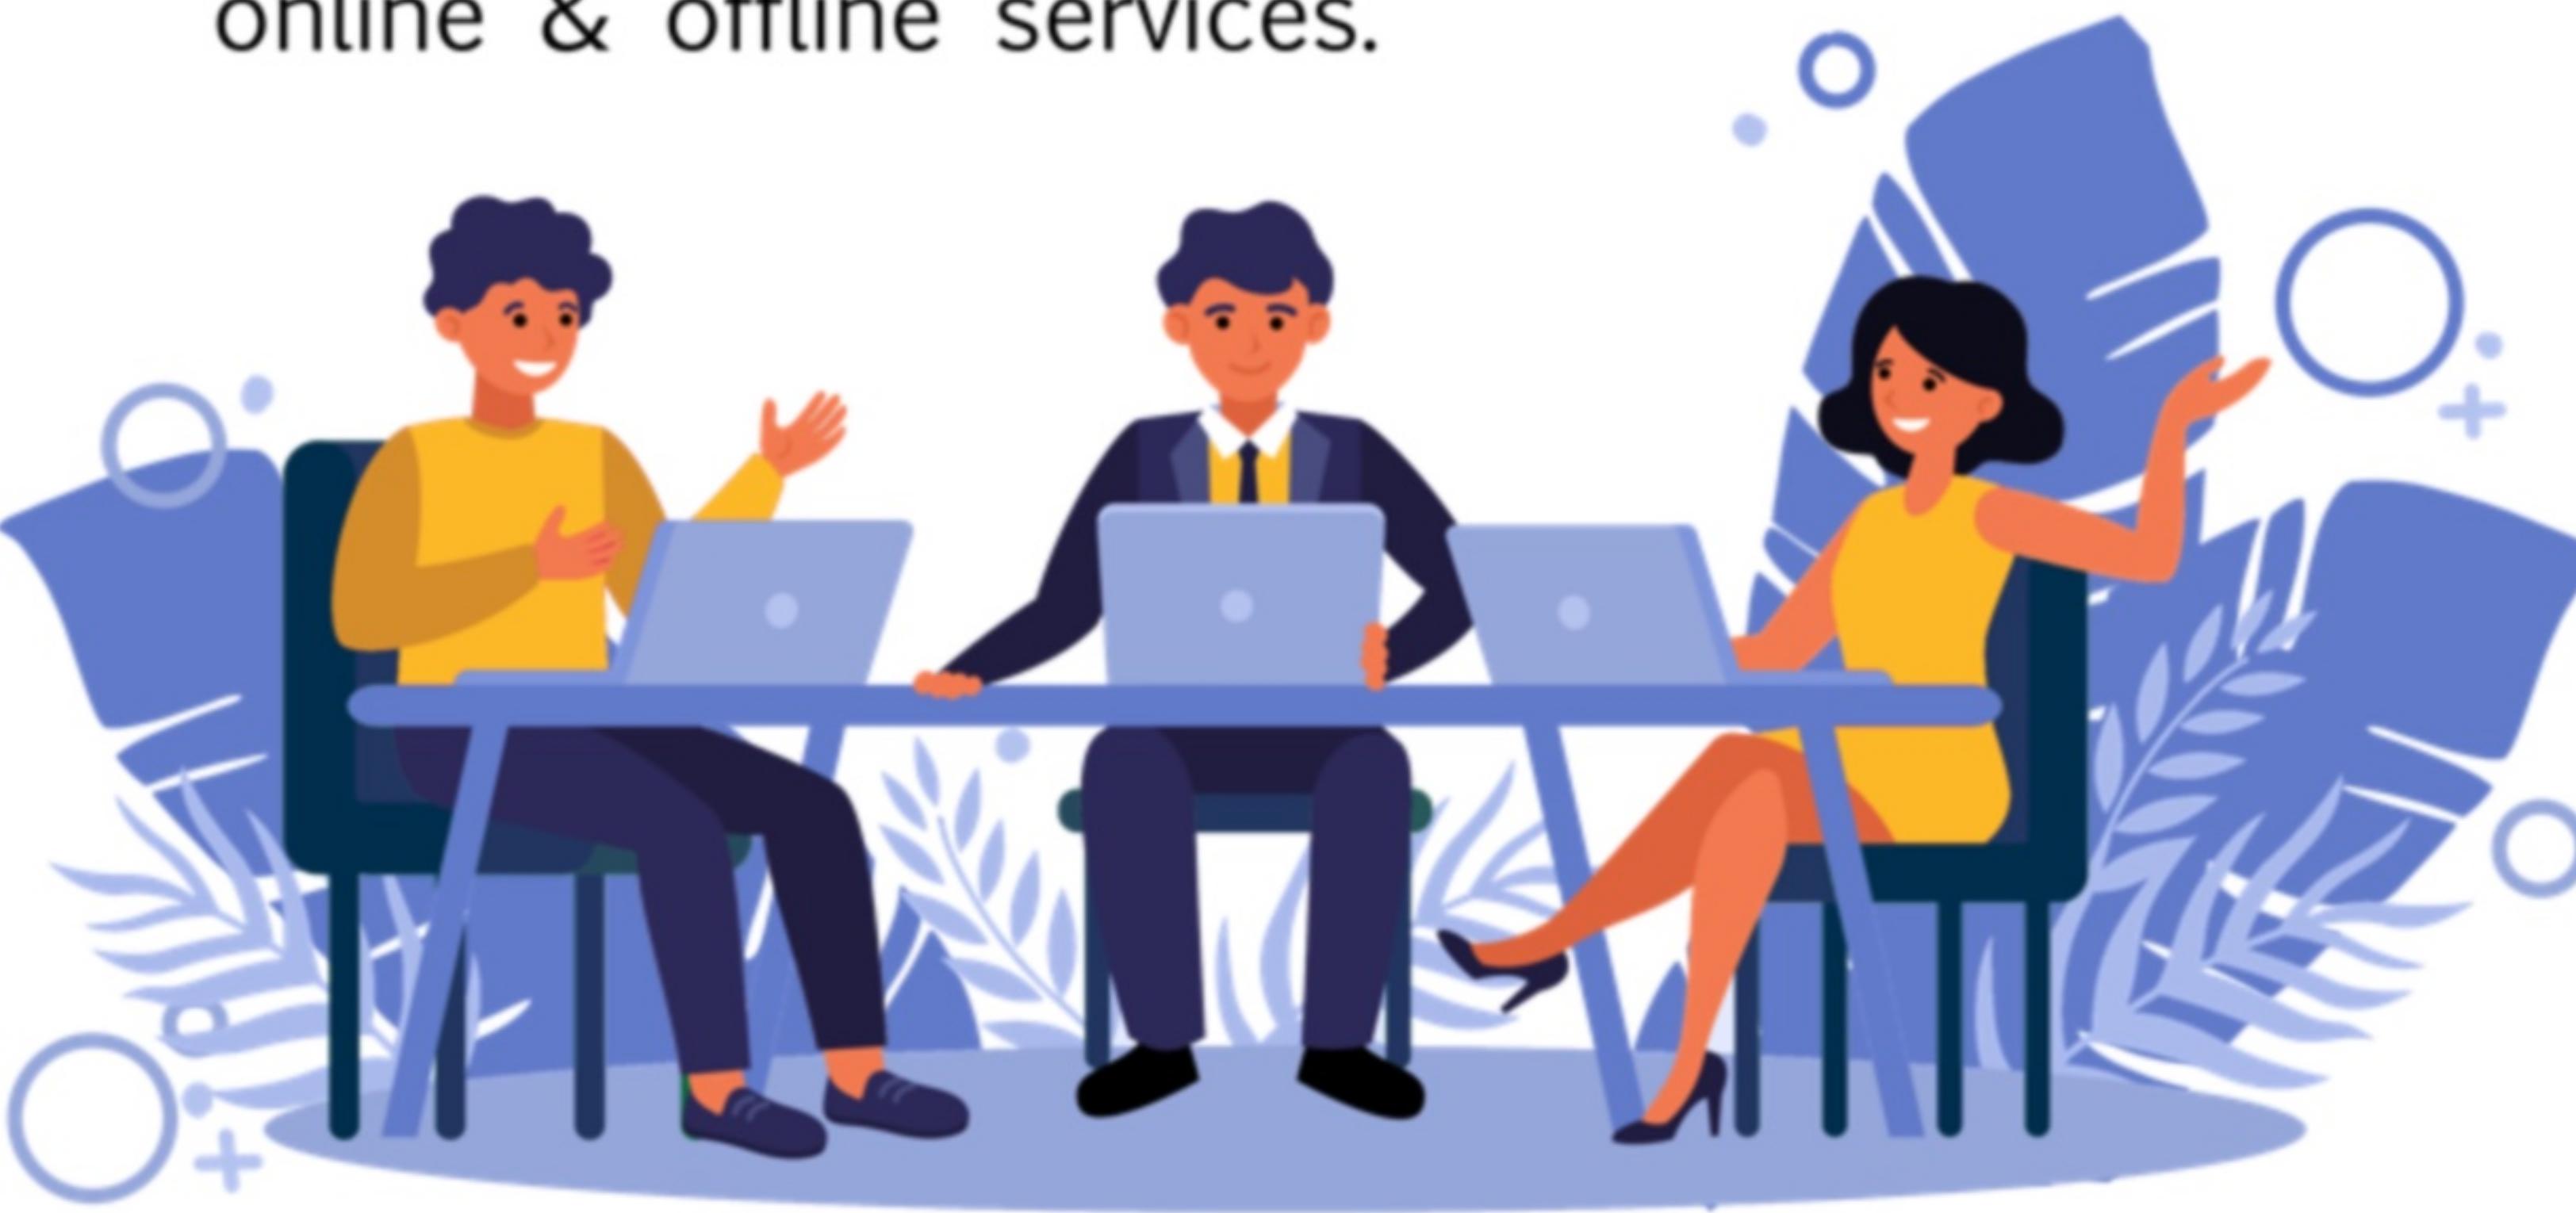

FAQ PAGE

16 seconds is all you got to get your CV noticed. **MAKE IT COUNT!**

What do we do?

We are not your usual CV writers. We are a leadership branding firm and we offer both online & offline services.

OFFLINE

oElite Rez - Executive Resumes custom-made for the C-community.

oGreet Pro/ Socio Pro - Networking cards to connect on the go.

ONLINE:

oPersona Pro- A personal website to help you mark a global presence on the web.

oSocial Media Management- Helping you make your social media an asset

That's not all. We are also into brand merchandise, video resumes and video testimonials for you to promote your brand.

Who do we do it for?

Our services are exclusively for the C-suite. We believe in the supremacy and that they can make pristine success stories

How do we do it?

Our team behind your branding is well acquainted with the ins and outs of what happens behind and forth the interview table.

And that's how we are able to design distinctive resumes and help you get that job you were eyeing at.
